Client: American Fiber Cement Corporation
Product: Minerit HD Fiber Cement Panel

Construction Consulting International has evaluated the test requirements of EN 12467:2004 (E) and compared them with the requirements of ASTM C 1186-08 and ASTM C 1185-08. It is the opinion of CCI that a product that has been tested and is in compliance with EN 12467:2004 (E) and has had additional testing in compliance with the protocol described in ASTM C 1185-08 #8, 9 and 10 has met all conditions required to be in compliance with ASTM C 1185-08 and 1186-08.

AFCC product Minerit HD has been tested and found to be in compliance with ASTM C 1185-08 and 1186-08.
